Minutes from the AGM of 18th November 2020 were put forward to the meeting for approval. Adoption proposed by Mr K Davies and seconded by Mr A Lockhart, duly noted.

Item 4: Chairman's Report

Mr I Beaton advised that due to the fact that it has been only a few months since the last AGM, his Report would be short, due to the continued affect the Pandemic is having, again a difficult period for all in the Community with further lockdown measures imposed from December. Although it has been trying to carry on with meetings by Zoom believe we have

made the most of the situation and hopefully will be able to meet in person soon. Mr Beaton advised that we had been able to have Skips in the Community and more are planned, other Projects are in the process of being addressed as we move forward through the coming year, hopefully these will come to fruition in due course. Thanks all for their attendance at meetings through what has been a difficult period.

Item 5: Treasurers Report (See Statement attached)

Mr A Morrison tabled the Statement of Accounts. Mr Morrison explained to those in attendance that the CC continues to receive a yearly grant from The Highland Council, the sum of £432.55 received, from this amount the Annual Insurance Premium of £141.00 is paid therefore net funds available to the CC are £291.55. Mr Morrison proceeded to go through the Statement finally confirming the final balance at end of year to be £1,008.30 of which includes the amount of £457.15 that is allocated for Shopping Bus Trips, in addition £400.00 has been received in relation to Grass Cutting from the Trust and will be paid in September, therefore, the Net Balance available amounts to £551.15. As is normal this year's grant from The Highland Council will be paid after the adopted minute from the 2020 AGM has been lodged with them along with a copy of the Accounts.

Mr Morrison further advised the monies being held in the Account re Bus Trips had been in the Account for in the region of 2 years and have not been used, therefore, believes strictly speaking these funds should be returned to the Trust. After discussion and as it would be hoped to have further Bus Trips once possible, it was agreed to contact the Trust to see if they are happy for us to hold or would they prefer to have us return these funds to he, Mr Morrison will e-amil the Trust for advices.
